Dear Parents and Carers,

Re: National Education Union (NEU) planned strike action on 5th and 7th July.

I am writing to provide updates on the NEU planned strike action. The strike action affecting London based schools will take place on Wednesday 5th and Friday 7th July.

The impact on the normal day to day running of the school will not allow the safe opening of the school to all students. Students will therefore have to remain at home on these days. The Department for Education has designated that we code student absence with a 'Y' code which does not count as a student school absence.

We would like your child to continue with their learning remotely by accessing learning materials as shown below.

School will only be open to students with Special Educational Needs and/or Disabilities (SEND) should they wish to attend. Students will be supervised whilst completing online learning activities. Students in Year 10 who study Geography will also need to attend on Friday 7th to complete their fieldwork as a compulsory element of their GCSE Geography course, failure to attend would mean that they would not gain a grade in Year 11. The outline of the school day is as follows:

- Arrival: 9.00am, Gladesmore Road gate
- Departure: 12.30pm, Gladesmore Road gate
- Lunch is available between 12.30pm - 1.30pm

We will also provide lunch for students who are entitled to a free school meal. These students should arrive at the Gladesmore Road entrance by 12.30pm with their dinner cards. A packed lunch will be provided for students to either eat at school or take home. Please note that students that arrive for school meals will not be accommodated at school after the lunch period.

I understand that this disruption to your child's education may be frustrating so I will keep you informed on developments on the future planned strike days as soon as possible.

Thank you for your continued support.

Yours sincerely,

Mr Goldwater Ojokor
