# Message from the CEO

Dear Prospective Candidate

Many thanks for considering the post we have available at Gladesmore Community School. I hope that, having looked at the information available, if you think the post might be suitable you will decide to make an application.

We have tried to provide information so that, in a short time, you can gain a useful picture of the school and some idea of what it will mean to become a member of our staff. If you have enquiries regarding this post please contact Mrs Naidoo, Executive Officer, and we will endeavour to answer your questions.

Gladesmore is an outstanding school with an excellent learning environment. We look to appoint staff who are ambitious for our children and are committed to promoting their life chances.

The staff are highly skilled and are also very positive and cheerful. We value these qualities highly.

If you would like to join our exciting enterprise you will need energy and a commitment to the principle of equality of opportunity.

I look forward to hearing from you.

Yours sincerely

**Tony Hartney CBE**

**CEO**

# Teacher of Science (Maternity Cover)

We are looking for a teacher to join our amazing team. This is a great opportunity for an enthusiastic teacher wanting to make a difference and grow professionally.

Gladesmore is a very friendly place to work with a rich ethnic and linguistically diverse staff and student community.

The ethos is inspiring and positive. In three successive Ofsted inspections the school has been judged to be outstanding in every category and exemplary in these.

Please see the school website for the application pack or contact the school for further details.

We reserve the right to interview strong candidates prior to the closing date so we encourage you to submit your application early.

**Closing Date: Monday 14<sup>th</sup> October 2019**

*Gladesmore Community School is committed to safeguarding and promoting the welfare of students and expects all staff and volunteers to share this commitment. Appointment to this post will be subject to an Enhanced Disclosure via the Disclosure and Barring Scheme, confirmation of qualifications, experience checks and satisfactory references.*

Ofsted Report: For the latest reports on Gladesmore Community School, please see the school website.

Haringey: Further Information about Haringey borough is available at [www.haringey.gov.uk](http://www.haringey.gov.uk)

# About the School

Gladesmore Community School is a mixed 11-16 comprehensive school situated in the urban area of South Tottenham, London, bordering the edge of Stamford Hill and adjacent to Markfield Park which backs onto the River Lea. Seven Sisters Tube Station, Tottenham Hale tube, bus and train terminus and South Tottenham Railway Station are all within a short walking distance.

## School Population

The school has nine forms of entry. It has an impressive reputation locally and over recent years has the highest number of first choices applications for places in Haringey. It is oversubscribed in every year group with a roll over 1250. Numerous staff chose to send their children to Gladesmore.

We have a wide diversity of ethnic, linguistic and religious backgrounds in the school and this provides a tremendously rich culture. We delight in the fact that there are over 55 languages spoken by pupils. Our largest ethnic groups are of African, Caribbean or Turkish heritage.

As a community comprehensive school our intake consists of a broad ability range including children with special educational needs and very able, gifted and talented pupils.

The school serves a community of high economic disadvantage, typically, over 60% of our pupils are eligible for free school meals. Visitors are invariably impressed with our calm, happy and positive family atmosphere in the school. Pupils are respectful and well behaved. There is a wonderful ethos in the school enjoyed by all and it enables children to make excellent all round progress.

Working relationships between the staff and pupils and between the staff are exceptional. This is one of the reasons why staff turnover is remarkably low. The pupils are a delight to work with and are highly appreciative of the efforts made by staff. Our children really enjoy school and are proud to be part of the Gladesmore family; attendance for instance, is the best in the region and is consistently well above the national average.

## Staffing

Although the school has some excellent facilities its greatest asset are the staff. We have a superb staff team that create a warm, cheerful atmosphere and forge an effective climate for learning. Colleagues express that working at Gladesmore is stimulating and inspiring. Morale is excellent and we actively promote the strong ethos of mutual support. Visitors are invariably surprised by the pleasant atmosphere we have created and comment favourably about this. It is fundamental for us to go out of our way to ensure that colleagues are supported, appreciated and happy in their work.

Our recruitment programme targets teachers and support staff not just for their subject knowledge, we particularly seek out people who really care about the progress of children and are deeply committed to making a difference to our community. Gladesmore staff are characterised by their friendly, cheerful and positive outlook. We value these characteristics highly.

Once appointed, we expect that all staff will continue with their professional development which emphasises teamwork and the sharing of good practice. Our programmes for trainees and NQTs are particularly strong and have been highly praised by HMI. Staff are valued highly, morale is high and there is strong recognition that all play an important role to enable our school to succeed and operate harmoniously.

The staff is diverse which reflects the pupil population and we are proud that our rich diversity of staffing is well balanced throughout the organisation at all levels of seniority. Applicants from black and ethnic minorities are encouraged. Staff work hard both in the classroom and in developing activities outside the curriculum. Because people enjoy working at the school the turnover of staff is very low. Opportunities for professional development and growth is

impressive; subsequently numerous staff have gained a series of promotions within the school. Those who leave tend to do so for promotion or retirement.

The exceptional care for the individual, together with the high quality of teaching means that, although Gladesmore is a large school, it is also very friendly and supportive. Colleagues particularly appreciate this. We are highly committed to staff well-being and run numerous activities and have very well established support structures in place to ensure that staff feel supported and as individuals. Staff turn-over is exceptionally low and morale is unusually high. Staff work hard and enjoy a positive climate at work that is extremely rare.

We also have our own unique nursery provision for staff children. This is exclusive for the babies and toddlers of the staff at Gladesmore and Crowland Schools and accommodates children from approximately 6months of age through to school age. The children are cared for in an exceptional arrangement located in the outstanding rated Crowland Primary School which is right next door to Gladesmore. Staff find this extremely valuable and helpful.

### Achievement

Our aim is to continue to raise all round achievement and expectations through effective learning and teaching. We offer an innovative range of programmes and strategies to provide pathways enabling children to reach their potential. As a result rates of progress are astonishing. Our progress scores place us in the top band of schools nationally. All subject areas are very strong. Comparative statistics also show that the achievement of SEND, EAL, black and minority ethnic groups are all outstanding. But we intend to improve further.

### Curriculum and Assessment

We have taken bold decisions when planning the curriculum and as a result, the offer caters appropriately for the needs of our pupils. They have clear pathways which can lead to their success. Much smaller group work takes place to support children who need extra help with their learning.

We have a very simple but rigorous system of monitoring pupil progress which enables us to issue reports to parents/carers and pupils every half-term.

In recent years we have obtained numerous awards, examples include, the ICT Mark; Investor In People, Gifted & Talented School, Peace Prize, ArtsMark Gold; SportsMark Award; International Schools Award; Healthy Schools accreditation; CISCO award; and, Mathematics and Computing specialist status. We also have strong international links and frequently work with schools overseas. Our success has given Gladesmore a strong profile.

## Leadership

New staff are surprised by many things at Gladesmore but particularly noteworthy are the high profile presence of senior staff around school, the positive ethos plus the care and top quality support we have for children.

There is a very clear and simple vision for the school and the Gladesmore Ethos Statement is articulated through the simple term REACH, which promotes our key values and stands for: **Respect; Enthusiasm; Attitude; Cooperation; and, Hardwork.** REACH to be a Star!

Our school motto was written and selected by pupils: **Dream it, REACH for it, Achieve it.**

We have simple but ambitious Goals for the school. All subject, intervention and year teams draw up their own development plans to focus on continued improvement. All staff are encouraged to help shape our development and pupils make a significant contribution to this as well.

Gladesmore has been rated as 'Outstanding' by Ofsted for over a decade. In successive inspections HMI/Ofsted teams have awarded outstanding grades and within these deemed the school to be exemplary. It is rare that a school gains such an accolade. HMI's have expressed that they had never been more impressed by what they had seen. Gladesmore has been recognised by the DFE and the GLA as a Flagship School.

Nevertheless, we believe there is still much we can improve; we are fully committed to self-evaluation and continuously look at what we can do to continue to improve. We want to do the best we can. There are numerous opportunities and procedures designed for us all to share good practice and learn from each other. Whilst the school is doing very well there is more for us to learn and aspire to.

## Premises

The buildings are substantially built and house classrooms and corridors of good size. We have gradually been able to improve the buildings and facilities to an outstanding standard. Each subject area has specialist accommodation. Classrooms are spacious being well above standard size and all have interactive whiteboards. Faculty areas have a dedicated IT suite plus an office base with a sink and adjacent toilet.

The pupils, staff and parents are proud of the school. We enjoy a happy, cheerful atmosphere and we have positive links with the community. We are frequently congratulated by visitors on the friendliness of the children and staff, the quality of display, the calm atmosphere and the absence of vandalism and graffiti.

## Extra Curricular and Community Activities

We have an impressive Saturday and Summer School provision. Year 7 pupils together with Year 5 and 6 pupils from our local primary schools participate in a comprehensive programme. Older pupils attend Mathematics, English, French, Spanish, Mandarin, Computing and/or Music sessions.

Pupils have access to a wide range of activities at lunchtime and after school. We have a strong sporting tradition and large numbers of pupils are involved in the many clubs and teams which operate. We enrich children's experience through lively school assemblies and productions. All subject areas are outstanding and run well attended after school clubs and revision classes. We have a wide array of mentoring and guidance schemes and run a programme for gifted and talented pupils.

We have strong partnership with our feeder schools and are neighbours with Crowland Primary School. A number of our staff have children there including in the nursery.

We are genuinely a community school and find our parents/carers are supportive and appreciative.

## In Conclusion

Gladesmore is a welcoming, warm and friendly school. Staff are highly committed and work together to meet the needs of pupils. Essentially, we shape Gladesmore into be the kind of school we'd be thrilled to send our own children to. The school is optimistic and forward looking. We enjoy a happy working atmosphere and consider the all round development of children to be as important as examination results. We are proud of our achievements but not complacent.

In 2011, HM Queen Elizabeth II awarded Gladesmore with the ***Royal Crest***. It is the top national award for organisations and very rare for a school to gain this accolade. Although we are proud of our achievements, we believe there are many more rungs to climb up the ladder. We have goals for the school that defy usual expectations and we have a staff team who are determined to help our children to excel.

Working in a school is hard work, but at Gladesmore it is also very pleasant and provides a range of exciting opportunities. If you feel that you have the necessary skills and commitment to work at Gladesmore and relish the opportunity to contribute and make a difference then I look forward to hearing from you.

# About the Science Department

The Science Faculty at Gladesmore Community School is an enthusiastic and incredibly successful team. Staff work extremely well with each other, teaching is strong in the faculty and there is lively involvement of pupils. Pupils enjoy Science and achieve exceptionally well.

We are seeking a Science specialist to continue the trend of excellent development and impressive GCSE results seen over recent years. The post is ideally suited to a teacher wanting to work in harmony with the team and grow professionally with willingness to work hard and be fully committed to making a difference to children's futures.

Groups are taught in ability sets. At Key Stage 3 pupils have two hours in Year 7 and three hours of Science a week in Years 8 and 9. At Key Stage 4 pupils follow single, double or triple science courses. The progress made by pupils is impressive. Pupils taking double or triple science have six hours per week.

There is an excellent atmosphere in the Science Faculty. Sharing of good practice is seen as the norm and staff have excellent opportunities for sharing best practice. The accommodation and resources are outstanding and include interactive whiteboards in all classrooms.

The Science Faculty offers a skills driven curriculum that encourages independent learning and cooperative relationships. The team adopts new and innovative learning and teaching strategies, and as a result, schemes of work are updated and refined. The faculty has cohesive, well thought through systems in place to get the best out of the pupils.

We are looking to appoint a teacher eager to enthuse the children to learn and succeed in science. The position presents an opportunity to work as part of an outstanding team with a superb team spirit. Applicants will be given ample opportunity to see the school in action at interview and will have a chance to speak with staff and pupils and get a flavour of what the school and the Science Faculty is like.

This position is to cover for a teacher on maternity leave, but there is some possibility of this being extended.

The duties may be varied to meet the changing demands of the school at the reasonable discretion of line manager/CEO.

## PREAMBLE

Teachers make the education of their pupils their first concern, and are accountable for achieving the highest possible standards in work and conduct. Teachers act with honesty and integrity; have strong subject knowledge, keep their knowledge and skills as teachers up-to-date and are self-critical; forge positive professional relationships; and work with parents in the best interests of their pupils.

## PART ONE: TEACHING

A teacher must:

### 1 Set high expectations which inspire, motivate and challenge pupils

- establish a safe and stimulating environment for pupils, rooted in mutual respect
- set goals that stretch and challenge pupils of all backgrounds, abilities and dispositions
- demonstrate consistently the positive attitudes, values and behaviour which are expected of pupils.

### 2 Promote good progress and outcomes by pupils

- be accountable for pupils' attainment, progress and outcomes
- be aware of pupils' capabilities and their prior knowledge, and plan teaching to build on these
- guide pupils to reflect on the progress they have made and their emerging needs
- demonstrate knowledge and understanding of how pupils learn and how this impacts on teaching
- encourage pupils to take a responsible and conscientious attitude to their own work and study.

### 3 Demonstrate good subject and curriculum knowledge

- have a secure knowledge of the relevant subject(s) and curriculum areas, foster and maintain pupils' interest in the subject, and address misunderstandings
- demonstrate a critical understanding of developments in the subject and curriculum areas, and promote the value of scholarship
- demonstrate an understanding of and take responsibility for promoting high standards of literacy, articulacy and the correct use of standard English, whatever the teacher's specialist subject
- if teaching early reading, demonstrate a clear understanding of systematic synthetic phonics
- if teaching early mathematics, demonstrate a clear understanding of appropriate teaching strategies.

### 4 Plan and teach well structured lessons

- impart knowledge and develop understanding through effective use of lesson time
- promote a love of learning and children's intellectual curiosity
- set homework and plan other out-of-class activities to consolidate and extend the knowledge and understanding pupils have acquired
- reflect systematically on the effectiveness of lessons and approaches to teaching
- contribute to the design and provision of an engaging curriculum within the relevant subject area(s).

### 5 Adapt teaching to respond to the strengths and needs of all pupils

- know when and how to differentiate appropriately, using approaches which enable pupils to be taught effectively
- have a secure understanding of how a range of factors can inhibit pupils' ability to learn, and how best to overcome these
- demonstrate an awareness of the physical, social and intellectual development of children, and know how to adapt teaching to support pupils' education at different stages of development
- have a clear understanding of the needs of all pupils, including those with special educational needs; those of high ability; those with English as an additional language; those with disabilities; and be able to use and evaluate distinctive teaching approaches to engage and support them.

### 6 Make accurate and productive use of assessment

- know and understand how to assess the relevant subject and curriculum areas, including statutory assessment requirements
- make use of formative and summative assessment to secure pupils' progress
- use relevant data to monitor progress, set targets, and plan subsequent lessons
- give pupils regular feedback, both orally and through accurate marking, and encourage pupils to respond to the feedback.

### 7 Manage behaviour effectively to ensure a good and safe learning environment

- have clear rules and routines for behaviour in classrooms, and take responsibility for promoting good and courteous behaviour both in classrooms and around the school, in accordance with the school's behaviour policy
- have high expectations of behaviour, and establish a framework for discipline with a range of strategies, using praise, sanctions and rewards consistently and fairly
- manage classes effectively, using approaches which are appropriate to pupils' needs in order to involve and motivate them
- maintain good relationships with pupils, exercise appropriate authority, and act decisively when necessary.

### 8 Fulfil wider professional responsibilities

- make a positive contribution to the wider life and ethos of the school
- develop effective professional relationships with colleagues, knowing how and when to draw on advice and specialist support
- deploy support staff effectively
- take responsibility for improving teaching through appropriate professional development, responding to advice and feedback from colleagues
- communicate effectively with parents with regard to pupils' achievements and well-being.

## PART TWO: PERSONAL AND PROFESSIONAL CONDUCT

A teacher is expected to demonstrate consistently high standards of personal and professional conduct. The following statements define the behaviour and attitudes which set the required standard for conduct throughout a teacher's career.

- Teachers uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school, by:
  - treating pupils with dignity, building relationships rooted in mutual respect, and at all times observing proper boundaries appropriate to a teacher's professional position
  - having regard for the need to safeguard pupils' well-being, in accordance with statutory provisions
  - showing tolerance of and respect for the rights of others
  - not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs
  - ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.
- Teachers must have proper and professional regard for the ethos, policies and practices of the school in which they teach, and maintain high standards in their own attendance and punctuality.
- Teachers must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.
