Cohort

This programme is aimed at the Y6 children that will be transferring to Gladesmore in September. We are planning to cater for a maximum of 150 children from our feeder primary schools. Y6 class teachers have been contacted and encouraged to ask their Y6 children/families to become part of this programme. We have also contacted all Y6 families and invited them to be part of this programme. Our School-Home-Support worker has also contacted targeted families stating the transition benefits for their child of being part of this programme. She will also be available throughout this programme to support Y6 children and their families during this transfer to Gladesmore.

Activities

Physical Activity

A variety of sports activities including basketball, table tennis and creative/dodgeball/physical

Enrichment activities

Music – Guitar, African drumming and Steel pan lessons

Healthy food and nutrition education

Students will have lessons looking at the importance of food and nutrition and the impact it can have on health and wellbeing. Children will be given ingredients to make healthy foods at home. Photographs of their creations will be used as part of their evaluation of this unit of work.

Food provision

Each day a healthy hot meal will be provided free of charge to all students. Meals will be prepared on site by the Gladesmore Catering Team Snacks will be available at breaktime.

Tuition

Student will have the opportunity for individual support and guidance to boost reading, literacy and numeracy skills with personalise tuition

SEND

Specific individual support will assist children with SEND to become familiar with routines, the site, staff and generally adjust to secondary school.

Parent/carer meetings

Individual meetings will occur to support transition and the ease of settling in

Pastoral

Students will have opportunity for individual sessions to support wellbeing and worries.

Timetable

Students will be split into small groups. These groups will be placed in a carousel so they experience all activities.

- Each core lesson will last for 1 hour.
- There will be a 20-minute break in the morning and a 30-minute lunch break.
- Sports will be for 90 minutes.
- Music lessons are split across three different instruments, with the students on a carousel so they get to experience all instruments on offer.
- In consultation with the music teachers' students will decide on one instrument to prepare for the musical performance.
