- Reception
- Infant/Junior
- Secondary Transfer

Parents must apply to the borough where they live and can list up to 6 schools (which can be located anywhere in England). Paper forms are available on request.

In-year applicants need to apply to the borough where their school of preference is located.

Benefits of online admissions for parents/carers include:

- An instant receipt for the application
- It is quick to complete and can be amended at any time until the deadline
- There are prompts and drop down menus to help guide through the application
- Online applicants will receive their outcome online; they will NOT receive an offer letter in the post. Paper applicants will still receive an offer letter in the post.
