4th November, 2022

Dear Parents and Carers,

re. Thursday 10th November

Next Thursday, the school will be closed in order to host our annual Pathways Day for students in Year 11. On this day, 6th Forms and Further Education colleges from around London will be at Gladesmore to give students an opportunity to discuss their next step on their educational journey. Students will also be supported by staff in completing application forms in preparation for their transition to Post 16 education.

For all other students, normal lessons will not run. There are a number of activities that have been organised for students in other year groups and if your child is participating in those you will have received a letter from the staff that have arranged those activities.

Year 7: Kidzania Experience of Work Visit (POSTPONED due to tube strike)

Year 7: EHCP Meetings

Year 8: Science Workshops

Our online platforms are available for all students who will be at home that day providing opportunities to complete work and also to do pre-learning activities in preparation for their upcoming lessons.

School will resume as normal on Friday 11th November.

If you have any questions concerning arrangements for Thursday, please do not hesitate to contact us.

Your sincerely,

Mr G Ojokor
Headteacher
